**2008 will be GREAT!**

## September 2008 Opportunity Letter

Beloved in the Lord,

Saturday, September 20, 2008, the third **WORLDWIDE DAY OF HEALING**, is going to be a world-shaking day! We have planted DVD schools in almost every country around the world, and they are participating with great excitement on that great day!

If you are close to us, we would like for you to join us at Champion Life Centre (*formerly Spring Tabernacle*), 3031 FM 2920 Rd., Spring, TX 77388.

Joshua Mills and Joan Hunter will be there and all of us will be laying hands on the sick. After the incredible miracles we saw at our last healing service, we know God is going to do some tremendous things there, so if you can make it out there we will be there from 11 o'clock in the morning until 2 o'clock in the afternoon and **everyone who comes will have hands personally laid on them.**

We also want to remind you of something else! We are receiving a tremendous number of people who are asking us to pray for their finances because they are so short on money.

When the weather gets cold in the wintertime, we put a coat or a sweater on as a protection against the weather and that is exactly what it does – it keeps us from being cold. The same thing is true of your financial future. **When you give to God you are putting a protective cover around yourself against the future.**

Prices will rise, but God says He will provide your every need according to His riches in glory by Christ Jesus. The only way I know that you can put a protective covering on is to give to God. That gives you an armor that the devil can't penetrate, so regardless of how high prices get, you know that God is going to take care of you!

If your church has not already started a healing school, please encourage them to do so now because we want you to send your e-mail reports in on September 20<sup>th</sup> so we will be able to talk about them on video streaming on that day.

You can send them to [wec@cfhunter.org](mailto:wec@cfhunter.org) and we will see that they are transferred to us at the Champion Life Centre where we are going to be.

Remember, this is a Worldwide Day of Healing where everyone is going to take a part and where incredible miracles are going to happen.

If you have not received a copy of the book, *What's New??*, which tells about a lot of the miracles that happened at the first Worldwide Day of Healing, please drop us a note and we will send you the book free.

Remember, wrap yourself and cover yourself with that protective coating of giving to protect you against the financial darts of the devil. That is the only covering I know of that will protect you. We ask you to become a Covenant Partner with us with a donation of \$25.00 a month or more. We will send you each month a CD which we guarantee you will turn your life upside down. If you would like to give \$1,000.00, that will bless us tremendously. And if you want to make it \$500.00 or \$5,000.00, any gift will be appreciated.

In His Precious Love,

  
Charles and Frances Hunter

P.S. Remember, the measure that you use to give is the measure that God will use to give back to you!
